Dear _____

After our telephone conversation this morning I went to _____ and opened an account - - regular checking - - in the amount of \$100.00 using the name _____

It occured to me that for sake of safety - - if, for example, anything should happen to me - - it would simplify matters if I made this a joint account between _____ and _____. Then, in case of my absence, illness or death you could recover the joint funds without any legal difficulties or monkey business.

The bank was a little sticky about opening an account in the absence of "references" from another bank, and also found it hard to understand how _____ got by all these years without a bank account. However, I offered to provide an excellent reference in a government official, a _____ who is the _____ at _____ and that seemed to placate the money-lenders. Thereafter, I communicated with _____ and he immediately wrote a reference for _____ on official stationery. _____ also kindly said he was well acquainted with _____ and was pleased to offer for him's similar recommendation.

If you think this is a good idea, I suggest you sign the Joint Account Agreement and the three signature cards enclosed and return them to me.

And now that the account is opened I suggest you have funds deposited via Cashier's check - - or any other way that seems easiest - - directly to _____ account/

I ordered checks printed with _____ name thereon and have also ordered stationery bearing _____ name. I considered this might facilitate payment of bills, etc., by mail.

What with suspicious banks, landlords, utility companies., etc., you will understand that creating the Jenkyll Hyde personality in the form of _____ is taking a little "doing".

See you Monday, the 8th.

Rgds,

PLEASE REFER TO _____

Dear _____

Do you know of the efficient modern way to charge all your air transportation? The benefits are many when you become a subscriber to the Universal Air Travel Plan.

For your information, I am enclosing a booklet which describes in detail the advantages of subscribing to this Plan. Inasmuch as it is rather lengthy, I thought you might be interested in a few of the highlights, so here they are:

1. Once you have established an account with American Airlines, we will issue charge account cards which may be used to purchase tickets on all scheduled airlines.
2. We send you a monthly bill which you will find valuable because it gives you, at a glance, a complete and accurate record of your air transportation.
3. The Plan will eliminate the necessity of carrying large sums of money by enabling you to charge your air transportation.
4. You will be eligible for a new "bonus" privilege--hotel and Drive-It-Yourself services can now be charged merely upon presentation of your Air Travel Card.

We are also attaching two Air Travel Plan contract forms.

Do you feel now that you can afford not to take advantage of this streamlined aid to air transportation. I hope you will let me be of service to you very soon.

Very truly yours,

Clifford W. Pyke

Rec'd 6/24/53
\$ 4,235.64

16-19

June 10, 1953

Dr. Sidney Gottlieb :

On June 8, '53, I received the sum of \$4,132.27 for payment in connection with services and expenditures necessary in establishing the premises. Herewith is an accounting of the monies expended to date:

One month's rent and one month's "security", @ \$235.00	\$470.00
Deposit for telephone installation	25.00
Deposit for Gas and Electricity	30.00
Payment for Air conditioning	840.00
Payment for carpeting	300.00
Payment for saxpating furnishings	1000.00
Payment for kitchen equipment and dinner service	350.00
Payment for Household hardware	150.00
Payment for household supplies, inc liquor	350.00
	<hr/>
	\$ 3515.00

I must anticipate expenditures for other basic items necessary in the immediate future such as rent, drapes, linens, blankets, towels, additional furniture, etc., which if ordered now would deplete the ~~account~~ account. These relatively heavy expenditures are of course non-recurring but are vital in establishing the type of experimental station needed.

~~credit~~ credit has been finally established at some risk and pains. I would not care to risk having the bank balance become sufficiently low to attract comment from bank officials. We will also require to meet the regular monthly obligations of rent, utilities, maid serv ice, etc.

In view of above I urgently request my account at ~~be~~ be supplemented by a deposit in the form of a Cashier's Check (or any other convenient medium) at least to the extent of the amounts expended as listed above. I consider this matter URGENT.

Sincerely,

RECEIPTS

Memorandum for Dr. Sidney Gottlieb:

The cash balance in the account of [redacted] is now approximately \$100.00. In order to meet recurring obligations such as rent, utilities, etc., for the next 12 months I recommend we make a deposit to the [redacted] account in the amount of \$5000.00.

This would cover the following:

12 month's rent @ \$235 per month --	\$2820.00
12 month's utilities at an average of \$30.00 monthly (inc aircon heating)	360.00
	<hr/>
	\$ 3180.00
Fund for operational expenses:	1820.--
	<hr/>
Total-----	\$5000.00

This must be given immediate consideration as we have a lease for 18 months (?) and cash on hand will not suffice for more than one more monthly payment of rental. There have been no " operational expenses " since the recent audit.

MEMORANDUM FOR THE RECORD

SUBJECT: Project MKULTRA, Subproject 16

1. Subproject 16 is a continuation of Subproject 3, which involved the establishment and maintenance of facilities for the realistic testing of certain research and development items of interest to CD/TSS and APD/TSS. The facilities were set up under Subproject 3, and Subproject 16 is intended to provide for the continued maintenance of the facilities.
2. Subproject 3 was originally intended to provide funds for the maintenance of the facilities for one year; but it turns out that the costs of alterations, equipment, and initial supplies were underestimated in Subproject 3; hence the necessity to establish Subproject 16 at this time.
3. Subproject 16 will be conducted by ~~_____~~, a ^C
~~_____~~ Certain support activities will be provided by CD/TSS and APD/TSS.
4. The estimated cost for a period of one year is \$7,740.00.
